That Many Converted to Christianity
Each Day During 1909

The non-Christian population of the world was converted at the rate of 377 souls a day during the last year, according to the summarized statistics of workers from virtually every mission field on the globe, who addressed the convention of the Laymen's Missionary Movement at New York Saturday.

A number of well-known business men advocated placing missionary and Church work on a business basis instead of resorting to undignified appeals to charity.

**No Reason
for Doubt**
**A Statement of Facts Backed
By a Strong Guarantee**

I guarantee immediate and positive relief to all sufferers from constipation. In every case where my remedy fails to do this I will supply it free. That's a frank statement of facts, and I want you to substantiate them at my risk.

Rexall Orderlies are a gentle, effective, dependable and safe bowel regulator, strengthener and tonic, that are eaten like candy. They reestablish nature's functions in a quiet, easy way. They do not cause any inconvenience, griping or nausea. They are so pleasant to take, and work so easy, that they may be taken by any one at any time. They thoroughly tone up the whole system to healthy activity. They have a most beneficial action upon the liver.

Rexall Orderlies are unsurpassable and ideal for the use of children, old folks and delicate persons. I cannot too highly recommend them to all sufferers from any form of constipation and its attendant evils. That's why I back my faith in them with my promise of money back if they do not give entire satisfaction. Two sizes: 12 tablets 10 cent and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chenoweth.

Stop Cough

Those hard night coughs of the children! What shall you give them? Just what your mother gave you, and just what her mother gave her! In some families, Ayer's Cherry Pectoral has been the only cough medicine for seventy years. Once in the children. Do as he says. J. C. Ayer & Co., Lowell, Mass.

SNEAK THIEVES

**At Work Again---The Bee
Hive and King's Meat
Store Broken Into
Saturday Night**

Merz Bros. store, "The Bee Hive", was broken into Saturday night and the cash register, which was left open, robbed of its contents, some \$3 or \$4, and just what other stock was taken has not yet been developed.

An entrance was made at the rear of the building. A window pane was broken, which permitted of the loosening of the catch and raising of the window sash, and by springing of upright iron bars protecting the window the intruder, undoubtedly a small, thin person, squeezed himself between the iron rods and after gaining an entrance opened the rear door.

The foot prints in the snow indicate that there were several in the party, and that one of the members was either a boy or a very spare person, is evident from his having gained access to the store in the manner in which he did.

Mr. George Schwartz, whose business house and residence adjoin the Bee Hive, says it was near 12 o'clock when the job was done, as he was closing up his barber shop and was attracted by the noise of the breaking glass. He went both to his front and rear door to see what the noise meant, but failed to see or discover anything to arouse suspicion.

On the same night Mr. George King's meat store at the corner of Fourth and Plum streets was entered, but the thieves were scared away before they had time to get in their work by the timely arrival of passersby who heard the marauders in their attempt to loot the place. This is the third time this winter that King's place has been visited by unwelcome visitors.

That there is an organized gang in this city responsible for the various jobs pulled off here this winter is not to be doubted, and the sooner it is broken up the better security the merchants will have against such depredations.

Time and again have the police arrested suspicious characters, and after an examining trial before Judge Whitaker, sent them before the Grand

Jury and higher Courts only to have them turned loose or receive a light Jail sentence. There needs be a cleaning up of the riffraff and loafers who have no visible means of support, then there will be an end to such doings.

Representatives Rainey of Illinois and James of Kentucky were selected the Democratic Representatives on the Ballinger-Pinchot Investigation Committee.

The many friends of Mr. James Dunbar, Jr., of this city, will be glad to learn that he is improving very nicely, after undergoing an operation for appendicitis, in Indianapolis.

**SAVED
FROM AN
OPERATION**

**By Lydia E. Pinkham's
Vegetable Compound**

Mrs. AUGUSTE VESPERMANN, De Forest, Wisconsin.

Another Operation Avoided.
New Orleans, La.—"For years I suffered from severe female troubles. Finally I was confined to my bed and the doctor said an operation was necessary. I gave Lydia E. Pinkham's Vegetable Compound a trial first, and was saved from an operation."—Mrs. LILY PEYRON, 1111 Kerlerec St., New Orleans, La.

Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

If you want special advice about your case write to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

GOOD BEEF STORY

Four Quarters of Prime Meat Found in Attic of Church After 16 Years

Sharpsburg World.

While re-analoging the roof of Mt. Olivet Church, a few miles from town, recently, four quarters of beef, in a good state of preservation, were found in the attic by the workmen.

How it got there and when it was put there is not known, but the supposition is that it was hidden there by some thief, who never afterwards had an opportunity to get and use it, or was afraid to do so.

Some fifteen or sixteen years ago, so we are informed, Mrs. Joann Chaney lost a beef, and the only trace that was ever found of it was the hide, which was discovered in an abandoned well.

The four quarters of beef found beneath the roof of the country Church may have been Mrs. Chaney's property, which was stolen from her many years ago.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

NEARLY twenty-five years ago DAVID B. HILL said: "It is vain to try to make converts to Free Trade in cities black with the smoke of fires that would never have been lighted except for the Tariff." For this he was abused by the organs of the Cleveland Administration, but he never apologized for his words. In 1894, in his powerful speech against the Wilson-Gorman Law, he said: "Pass this bill and you drive New York, New Jersey and Connecticut into the Republican ranks, there to remain." HILL was a fairly good prophet. From 1876 to 1892 the Democrats had better chances than the Republicans in these three States; from 1896 to 1908 the Republicans have carried them.
